Materials being Burned: _____

Permit Valid ONE full year from: _____

Issued By: _____

By checking of the following list and signing the application, you are confirming that you will be complying with the following checklist of rules:

- ___ 1. The property where the fire will be occurring is not located within the City limits of Greenwood.
- ___ 2. Fire will be attended at all times until extinguished.
- ___ 3. All burning will be done during daylight hours only and will be extinguished by sunset, except for approved recreational fires.
- ___ 4. If the fire creates a nuisance or hazard, the fire shall be extinguished.
- ___ 5. There will be adequate firefighting equipment on site for extinguishing the fire.
- ___ 6. No burning will be conducted during stagnant or high winds.
- ___ 7. The proposed site is not located in an apartment, condominium or mobile home complex.
- ___ 8. Burning will not be in an area that is within twenty-five feet (25') of any structure or public right-of-way.
- ___ 9. No garbage, rubbish or other trash will be burned.
- ___ 10. All items being burned will be of wood or ordinary combustible products.
- ___ 11. No petroleum based products will be used as an accelerant or will be consumed in the fire.
- ___ 12. If leaves are burned, they will be in an unburnable container with a mesh covering on the top of the container.

This permit may be revoked and a person issued a permit may be cited if the rules are not followed. The fire may be extinguished by the Fire Department if the fire creates a nuisance or fire hazard. Please note that an inspection of the site may be conducted prior to your proposed burn date. The Open Burning Permit must be available on site until the fire is extinguished.
